# Opportunities to Connect

The Career Center offers many ways for you to build your brand on-campus, connect with K-State students and ultimately recruit them for your positions.

## ON-CAMPUS BRANDING

### Information Sessions

Let the Career Center assist you in identifying an effective location, date and time for an on-campus informational session. We'll also help spread the word that you're coming to campus!

### Special Events

The Career Center hosts a variety of small networking events, mock interviews and resume critique events throughout the year to allow key employers to engage with students.

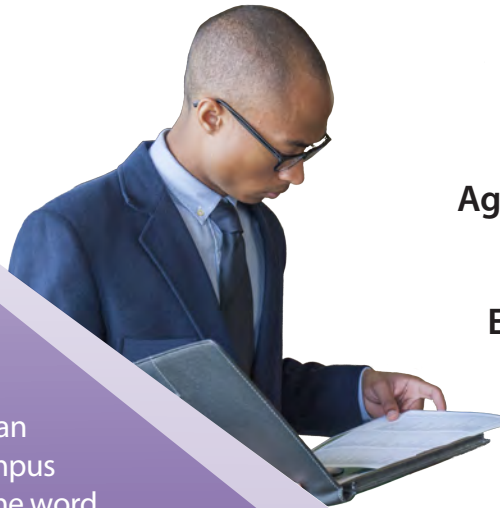

\* Career Center corporate partners traditionally have the first right of refusal to participate.

### Student Organizations

The Career Center can connect your company with students and the 475 student organizations and clubs on-campus!

### Classroom Involvement

Meet with key faculty, be a guest speaker or sponsor a classroom research project.
